## **Chez Moi** Agnes Desarthe

At forty-three, Myriam has been a wife, mother, and lover—but never a restaurateur. When she opens Chez Moi in a quiet neighborhood in Paris, she has no idea how to run a business, but armed only with her love of cooking, she is determined to try. Barely able to pay the rent, Myriam secretly sleeps in the dining room and bathes in the kitchen sink, while struggling to come to terms with the painful memories of her past. But soon enough her delectable cuisine brings her many neighbors to Chez Moi, and Myriam finds that she may get a second chance at life and love. Redolent with the sights, smells, and tastes of Paris, *Chez Moi* is a charming story that will appeal to the many readers who fell in love with Joanne Harris's *Chocolat* and Laura Esquivel's *Like Water for Chocolate*.

### From reader reviews:

#### **Trisha Sherman:**

The reason? Because this Chez Moi is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who all write the book in such wonderful way makes the content inside of easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book have got such as help improving your ability and your critical thinking method. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

#### **Nichole Gibson:**

Do you really one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you never know the inside because don't evaluate book by its handle may doesn't work is difficult job because you are frightened that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer is usually Chez Moi why because the wonderful cover that make you consider regarding the content will not disappoint anyone. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Jessica Palmer:**

This Chez Moi is great reserve for you because the content and that is full of information for you who always deal with world and possess to make decision every minute. This book reveal it information accurately using great plan word or we can declare no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tough core information with splendid delivering sentences. Having Chez Moi in your hand like keeping the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen second right but this e-book already do that. So , this is good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?

#### **John Coffin:**

Reading a book to be new life style in this calendar year; every people loves to learn a book. When you go through a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your review, you can read education books, but if you want to entertain yourself you can read a fiction books, this sort of us novel, comics, and soon. The Chez Moi will give you new experience in reading through a book.
