Comunione e liberazione (Farsi un'idea) (Italian Edition) Salvatore Abbruzzese

La storia inizia nella Milano degli anni '50, quando don Luigi Giussani dà vita a un progetto religioso e a un modello associativo che si distaccano nettamente dalle altre forme di associazionismo cattolico dell'epoca. Dare una testimonianza forte e visibile della presenza cristiana in una società secolarizzata è il principio che lo anima e che percorre tutta la storia del movimento, la cui crescita, nel mondo della scuola, dell'università, delle professioni, non è senza contrasti con l'area laica. Dalla figura carismatica del fondatore alle strutture associative, dai momenti di festa collettiva alla compagnia delle opere: il volume ci parla di tutto questo con un occhio attento non solo a quello che CL è per chi vi aderisce, ma anche per il ruolo che ha svolto nella società italiana.
