Custer Victorious: The Civil War Battles of General George Armstrong Custer

Gregory J. W. Urwin

Custer Victorious: The Civil War Battles of General George Armstrong Custer Gregory J. W. Urwin
"Custer found himself in the one dilemma all soldiers most dread—he was outnumbered and completely surrounded. With disaster looming in every quarter and no chance of escape. . . ." So Gregory J. W. Urwin pulls the reader into a scene describing not the Battle of the Little Big Horn but a Civil War engagement that George Armstrong Custer and his troop survived, thanks to strategy as much as naked courage.

Many books have focused on Custer's Last Stand in 1876, making legend of total defeat. *Custer Victorious* is the first to examine at length, with attention to primary sources, his brilliant Civil War career.

Urwin writes: "None of Custer's exploits against the Plains Indians could compare with those he performed while with the Army of the Potomac." The leader of a brigade called "the Wolverines," Custer was promoted to major general and the helm of the Third Cavalry Division when he was only twenty-four. Urwin describes the Boy General's vital contributions to Union victories from Gettysburg to Appomattox.
