Located in the Gulf of St. Lawrence on the east coast of Canada, Prince Edward Island measures only 5,660 sq.km. But what this island province lacks in size, it more than makes up for in abundant natural beauty, as well the scope of its influence on Canadian history. Combining poetry with informational text, PEI Poet Laureate Hugh MacDonald pays homage to the province's natural splendors and proud history. Readers young and old can visit the home of Lucy Maud Montgomery of Anne of Green Gables fame, stroll the streets of historic Charlottetown, or paddle a kayak down the island's nearly 100 named rivers.
