Jésus-Christ médecin des âmes et des corps (Petits traités spirituels) (French Edition)

Giuseppe Bentivegna

Jésus-Christ médecin des âmes et des corps (Petits traités spirituels) (French Edition) Giuseppe Bentivegna

Tout au long des siècles l'Eglise, à la suite du Christ, a eu le souci des malades et a prié pour leur guérison. Si l'épreuve de la maladie a été perçue comme un moyen de s'unir au Christ souffrant, les témoignages et les récits de guérison ont été régulièrement accueillis comme un signe de la présence toujours agissante de Jésus Ressuscité au sein de son Eglise, en particulier à travers un certain nombre de saints exerçant un "charisme de guérison".

S'appuyant sur des références bibliques, patristiques et magistérielles, l'auteur explique comment la miséricorde de Dieu opère face aux maux de l'homme et comment la puissance du Saint-Esprit peut le libérer de ses infirmités spirituelles et, parfois, des maladies corporelles. Il nous invite à méditer sur ce mystère de la guérison physique accordée gratuitement à certaines personnes, non en fonction de la sainteté de celui qui sert d'intermédiaire en priant pour le malade, mais afin d'édifier celui qui est guéri et toute l'assemblée des croyants.

Giuseppe Bentivegna, SJ, consacre depuis plus de vingt ans ses recherches sur l'effusion du Saint-Esprit et les charismes dans la vie des communautés chrétiennes des premiers siècles au travers des écrits des Pères de l'Eglise. Il est membre de la commission théologique du Renouveau italien.

Traduction de l'italien : sr Elisabeth de Jésus

Editeur original : Rinnovamento nello spirito
