## **Conan the Avenger #3** Fred Van Lente

A demon roams the streets of Shumballasent by mysterious forces to kill the popular commander of the city guard. When the king's royal sister is accused of witchcraft, Conan comes to her rescue . . . but for what purpose? \* Fred Van Lente (Archer & Armstrong) continues with his applauded run on Conan! \* Heavily rooted in REH's original tales, Conan the Avenger expands on the original Conan universe! Fred Van Lente has done an excellent job of adapting this story from just a few draft chapters and a synopsis. I'm sure Robert E. Howard would be proud.Â•Big Comic Page
