This poetic polemic seeks to galvanize the still-untapped power of women coming together to change the world. Jungian archetypal analysis, sociological studies, and recent biological studies of the sexes all contribute to Bolen's argument that women as a gender have a wisdom that is needed in the world. She senses a call from the Sacred Feminine to bring itself into consciousness and culture—a gender balance that has the power to end patriarchy—and make peace possible.

Las mujeres poseen un conocimiento valioso que es necesitado en nuestro mundo. Este es un llamado al Sagrado Femenino que la mayoría de mujeres y algunos hombres personifican en la cultura y la conciencia humana. Cuando se llega a un punto de masa crítica, el balance de los sexos acaba con el patriarcado y trae la posibilidad de paz. Escrito en un lenguaje que inspira, este libro busca unificar el poder no explotado de las mujeres unidas para cambiar el mundo.
