AQA GCSE Design and Technology: Resistant Materials Technology

Ian Fawcett, Roger Smith, Mick Whittle

AQA GCSE Design and Technology: Resistant Materials Technology Ian Fawcett, Roger Smith, Mick Whittle

Specifically written to cover the AQA GCSE Resistant Material specification, our student book takes a focused look at the creative and manufacturing processes involved with resistant materials, whilst providing comprehensive support for the Controlled Assessment. Clear learning objectives at the start of each chapter, helping students focus on what they need to know. Key terms reinforce learning, providing definitions of key words that students need to be familiar with. Includes a range of activities that develops design and making skills, encouraging students to apply concepts to real-life contexts.
