**La Bola (Clásicos) (Spanish Edition)** Emilio Rabasa

**Un clásico de la literatura mexicana que conserva su vigencia.**

*“La gran eficacia y actualidad de La bola residen en el brío literario, en la velocidad narrativa, en la imaginación que confiere a los estereotipos la verdad de las situaciones.” Carlos Monsiváis*

Considerada como una de las grandes novelas realistas de México, La bola pertenece al ciclo denominado “Novelas mexicanas”, que Emilio Rabasa publicó entre 1887 y 1888. Se ubica a finales del siglo XIX en el pueblo de San Martín de la Piedra, el cual representa en buena medida a toda la nación. Cuenta los conflictos políticos y militares que se dan en la mencionada población y que enfrentan los ideales de orden y progreso contra la dura realidad; una realidad en la que prevalecen el desorden y las ambiciones personales. Aunque parece tratar asuntos políticos y sociales ya resueltos, basta profundizar en sus páginas para advertir hasta qué punto muchos de los problemas planteados aún son materia de discusión en México.
