Nightingale

Jyri Hamalainen

Nightingale Jyri Hamalainen

A chance discovery of a 2nd World War Nazi artefact from a rusted wreck in the waters off a South African seaside village, leads to a spectacular African adventure on the high seas. A heartless but burnt-out Swiss business woman bumps into a carefree South African biologist, whose strength and depth of character draws her into a fabulous adventure of self discovery and danger. Set in the modern day Indian ocean and from the shores of eastern South Africa, a conspiracy and doublecross born in the 30's depression build-up to the 2nd World War, triggers a multi-pronged man-hunt and treasure-hunt, marred with death and destruction by a ruthless terrorist gang bent on blackmail and terror.

From the pen of Johannesburg's newest Action and Adventure author Jyri Hamalainen comes a tale of peril on the high seas...

From reader reviews:

Robert Johnson:

What do you about book? It is not important together with you? Or just adding material when you require something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? All people has many questions above. They have to answer that question mainly because just their can do that. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of Nightingale to read.

Perla Baxter:

Often the book Nightingale has a lot of knowledge on it. So when you check out this book you can get a lot of benefit. The book was authored by the very famous author. Mcdougal makes some research before write this book. This book very easy to read you can obtain the point easily after perusing this book.

Norman Duque:

People live in this new time of lifestyle always make an effort to and must have the extra time or they will get wide range of stress from both daily life and work. So , whenever we ask do people have time, we will say absolutely sure. People is human not really a robot. Then we ask again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you try this one, reading ebooks. It can be your alternative inside spending your spare time, often the book you have read is actually Nightingale.

Nathaniel Mathis:

Your reading 6th sense will not betray a person, why because this Nightingale reserve written by well-known writer we are excited for well how to make book which might be understand by anyone who all read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your personal hunger then you still doubt Nightingale as good book but not only by the cover but also through the content. This is one reserve that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this!?! Oh come on your reading sixth sense already alerted you so why you have to listening to a different sixth sense.
