Songs of Grace and Redemption John Donnelly

- I had a dream where every time I ever did anything or went anywhere or said anything, people would say: 'Someone else just did that, you're just copying them aren't you?' Turns out I never had a single original thought my whole life. How scary is that?

- That's funny. I had that dream too.

In the city, there is who we are and who we want to be. Five desperate people make life-changing decisions to rescue themselves - and each other - through random acts of kindness.

An urban fairytale of house wine, home porn, maps, cats and heavy metal, *Songs of Grace and Redemption* premiered at Theatre 503, London, in October 2007 in a production by Liminal Theatre.
