The Point of Vanishing: A Memoir of Two Years in Solitude Howard Axelrod

Named one of the best books of the year by *Slate*, *Chicago Tribune*, *Entropy Magazine*, and named one of the top 10 memoirs by *Library Journal*

***Into the Wild* meets *Portrait of the Artist as a Young Man*—a lyrical memoir of a life changed in an instant and of the perilous beauty of searching for identity in solitude**

On a clear May afternoon at the end of his junior year at Harvard, Howard Axelrod played a pick-up game of basketball. In a skirmish for a loose ball, a boy's finger hooked behind Axelrod's eyeball and left him permanently blinded in his right eye. A week later, he returned to the same dorm room, but to a different world. A world where nothing looked solid, where the distance between how people saw him and how he saw had widened into a gulf. Desperate for a sense of orientation he could trust, he retreated to a jerry-rigged house in the Vermont woods, where he lived without a computer or television, and largely without human contact, for two years. He needed to find, away from society's pressures and rush, a sense of meaning that couldn't be changed in an instant.

From the Trade Paperback edition.
