The formation of what would eventually become the West Virginia National Guard has its roots intertwined in the "Old" Virginia Militia system of the early and mid-1700s. This militia system spanned the Indian hostilities of the French and Indian War, American Revolutionary War, 1780s and 1790s Indian Wars, and Civil War. Images of America: West Virginia National Guard covers the time span between 1898 and 1919. This period of guard history was chaotic, to say the least, and was typified by turbulent social, economic, and political unrest.
