Men I Might Have Known

Brad Saunders

Men I Might Have Known Brad Saunders

Everyone experiences it--that moment when you lock eyes with a perfect stranger and feel a shiver of requited lust. Too often, those opportunities slip by unexplored. But in this steamy, imaginative collection, Brad Saunders turns "what if" into "what happened," recreating the sizzling chance connections he's experienced--and playing them out in uninhibited stories that tap into our deepest fantasies about what can happen when we take the next step.

From a glorious day on a sun-kissed Greek beach with a beautiful German man, to a college crush that turns out to be deliciously mutual, these stories are sometimes tender, sometimes torrid, and always deeply erotic. A gym buddy provides a workout to remember. . . . Venturing up to a Manhattan rooftop party yields a spectacular view--and not of the skyline. . . . And on a city crosswalk, saving a handsome artist from traffic earns the kind of gratitude that can't be conveyed in words.

Hedonistic threesomes, hot nightclub trysts, sweet and sensitive first times. . . whether set in exotic locales or on in your very own bed, these intimate, provocative stories inhabit the space between fact and fiction--where nothing is too wild or too wicked and the only limit to pleasure is your imagination. . .

Brad Saunders currently lives in Los Angeles and is hard at work on several books and screenplays. When he is not writing about the men in his life, he writes about food, travel, and the arts for several publications. This is his first book.
