She was the heroine of her people....

With her extraordinary violet eyes, French Countess Melisande was a prize for any man. But the teenage hellion who rode into battle to defend her people belonged to the warrior who saved her life, made her his bride, then disappeared for years. Now Conar MacAuliffe had returned to claim his wife, now a ravishing woman determined to fight for her freedom at all costs. But the proud beauty who feared no man suddenly feared herself and the passionate embrace of the husband who vowed to never let her go.

He was the mighty viking conqueror they called...

Lord of the Wolves, a legendary warrior whose greatest challenge would come with the woman he was destined to wed. In the fiery Countess Melisande he would find his heaven and hell. Even as he waged war for her heart, he dared not to yield his own. Even as he laid sweet, seductive siege to her body, he tried to shield his soul. It would take a common enemy, a little trust, and a united front to awaken them both to a love that could change their lives forever.
