Rosary Meditations for Children Christine Marie Henderson

Praying the family rosary is very important. However, it can be challenging to keep a child focused during the rosary. Our imagination is a wonderful thing and may be used to help make the family rosary a time of spiritual growth and enjoyment. In this book, I have written different thoughts for the fifteen traditional mysteries of the rosary. Before beginning each decade, read aloud a thought that is written. Encourage your child(ren) to think about it while praying. There is also a picture for each decade included in this book to further help enhance your child's focus and imagination.
