**The Actor's Book of Classical Monologues: More Than 150 sels From gldn Age gk Drama Age  
shakesp Restoration** Various

**A challenging, wide-ranging collection of monologues from history's greatest dramatic works**

From the stately and poetic Greek tragedies to the lively, bawdy Restoration comedies, the classical repertoire is a treasure trove of often-overlooked materials for male and female, young and old. The solo pieces collected here vary widely in mood, style, and level of challenge; they include a generous supply of Shakespeare and his contemporaries; and they're fleshed out with brief plot synopses and valuable historical material. Stefan Rudnicki, an accomplished actor, director, and teacher, also provides practical tips on preparing each scene for audition or performance. Among the playwrights whose works are included are:

Aeschylus  
Sophocles  
Euridipes  
Aristophanes  
Shakespeare  
Tourneur  
Kyd  
Middleton  
Jonson  
Sheridan  
Dryden  
Congreve

...and many others.
