## **The Amulet (Crimson Romance)** Chardy Walker Lieb

The year is 1692. The town is Salem, Massachusetts. The accusation is witchcraft. As Abigail Corey is accused of being a witch, her fiancée, Jackson Hawthorne, is forced to watch as she is tried, convicted, and hung - all on the testimony of Bridget Bishop, the woman he spurned. Jackson is helpless to defend Abigail against Bridget's inherent evil.

The time is present day. The town is Salem, Massachusetts. Attorney Jack Hawthorne's current schedule involves a simple client bequest - deliver a beautiful amulet to an Abby Corey woman in Illinois. But the instructions Jack received were dated October 31, 1692.

Prior to meeting Jack, Abby's home and business were torched, and her best friend died in the fire. Now she's involved in an automobile wreck that is not an accident and a ransacked hotel room that is definitely not random. And the more time she spends with Jack, the more the danger grows.

Will history repeat itself? Can Jack save Abby this time? Or does destiny have a plan of its own?

*Sensuality Level: Sensual*
