The Warrior's Boy Zack

Tough, no-nonsense Eric Random, an English mercenary soldier on his way to Venice in 1527, encounters rough-and-tumble sex at every inn along the way. The randy roughneck never misses an opportunity for an erotic adventure: stable lads, tavern servers, and page boys all fall to his remorseless assault, only to be tossed aside as Eric moves on. And then something unexpected happens - This graphic portrait of degenerate, brawling, and licentious Renaissance Italy unfolds as a history that's never been taught in the classroom. About the Authors: Zack was born in 1948 in Switzerland; since 1973 he lives in the UK. He is a self-educated illustrator and started to design explicit gay comic strips in the early seventies, inspired by his very own erotic fantasies. Zack designed numberless comic strips for British magazines like HIM, Vulcan and Teenage Dreams. British-born co-author Roger Kean has had careers as a movie cameraman, film editor, journalist, magazine and book editor, and has written millions of words about many subjects, including gay fiction.
