Boston (The Magnificent Great Cities) Santi Visalli

Through the cycle of the four seasons, Visalli has captured for visitors and natives alike the distinctive flavor of the city's lovely parks, waterways, streets, plazas, and historical landmarks- in short, the marriage of old Boston's magnificence and new Boston's imagination. Visalli has climbed to the roofs of skyscrapers, wandered along the banks of the Charles River, and roamed the old, narrow streets of Beacon Hill to capture, in over 165 vivid, breathtaking photographs, the spirit and energy of this great and historic city.
