From childhood through adulthood, most of us spend a considerable amount of time and energy trying to figure out who we are and who we want to be. And there's no shortage of people in the world willing to give us *their* answers to those questions. *Who You Are in Christ* takes a look at how our faith in Jesus radically changes who we are and our relationships with God, each other, and the world. Using passages from Paul's New Testament letters, this study explores our identity in Christ as well as how our self-perception affects who we become and what we accomplish when we choose to live according to God's ways of justice, mercy, and love.

Converge Bible Studies is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. *Converge* can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in *Converge* come together to transform readers' relationships with others, themselves, and God.
