Foucault, in Winter, in the Linnaeus Garden

Michael Joyce

Foucault, in Winter, in the Linnaeus Garden Michael Joyce

"*Foucault, in Winter, in the Linnaeus Garden* is a masterful work of introspective beauty. Its layers of meaning cascade across its pages in recursive waves of polysemous speech. The text is at once concerned with the emotional truth of its characters' experiences and with the lived truth of Foucault's philosophy. Joyce achieves all of this with a deft hand, a multilingual pen, and an ear for what we mean when we speak and how we speak when we mean." --*The Public*, Buffalo

"The novel affords a compelling meditation on what we might call the nexus of madness, philosophy, and literature, one that conveys a productive and troubled time for Foucault with an intensity and artfulness befitting of one of the most artful philosophers of the twentieth century.... Everything about Joyce's Foucault is alluring, and his characterization will seduce the philosopher's devotees and doubters alike." -- *Electronic Book Review*
