**Social Networks Around The World: How is Web 2.0 Changing Your Daily Life?** An De Jonghe  
Simply indispensable in today's IT-driven world, *Social Networks Around The World: How is Web 2.0 Changing Your Daily Life?* by An De Jonghe is the quintessential guide to what it takes to survive and thrive in the ever-transforming and ever-growing world wide web. This book is written from three unique and juxtaposed audiences: the founders of social networks, the expert users of social networks—including bloggers, super-networkers, and technology journalists—and ordinary users. Providing an overview of the social networking markets by regions and countries all over the world, this virtual database of the network compares current trends and future tendencies within interconnecting and geographically diverse markets. Readers will gain better insight into the possibilities and potential of the social networking market.
