Todd and Tina Morgan were both there the night their mother died. They both saw their father kill her. But they can't agree on what actually happened. To Tina, their father is a murderer. Their mother was trying to defend herself. To Todd, their father is a protector. He saved Todd and Tina when their mother turned a knife on them.

Now their father is on the run. Todd and Tina are in separate foster placements. Todd knows there's only one way to clear his dad's name: get Tina to change her story. Get her to tell the truth. But the truth may not be as simple as Todd thought. Whose story is right? And whose side should Todd really be on?
