Guided Meditations for Children Jane Reehorst

Guided Meditations for Children shares a simple process that teaches children how to pray through meditation on the Scriptures. This process leads children into the Scripture scene, where they meet Jesus personally and are encouraged to talk and listen to him - which is prayer. Children will love to listen to these meditations because they love stories and because they are personally invited by Jesus to come, sit beside him, and listen to his story. Teaching children how to come to the Lord will not only affect you and your class now, but will lead children into a lifelong habit of affective prayer - the heart of religious education.
