Public Sector Management Norman Flynn

The highly-anticipated sixth edition of Norman Flynn's *Public Sector Management* continues to provide students with an insightful, jargon-free description, analysis and critique of the management of the public sector by the UK government.

New to the sixth edition:

- Fully updated to take account of the coalition government and the impact of the financial crisis on public spending.
- Four new chapters on managing public finance, e-government, regulation and public-private partnerships.
- Expanded learning features including: additional boxed examples, annotated suggestions for further reading and suggestions for discussion topics and references to journal articles.
- New companion website with free access to full-text journal articles, policy documents, links to useful websites, and relevant multimedia and social media resources. www.sagepub.co.uk/flynn6

Public Sector Management will prove invaluable reading for students studying public sector management as part of a business, management, social policy, politics or sociology degree.
