Rubin's Pathology: Clinicopathologic Foundations of Medicine (Pathology (Rubin)) David S. Strayer, Emanuel Rubin

Easy to understand without sacrificing the details that students need to excel in medical school, Rubin's Pathology: Clinicopathologic Foundations Of Medicine, 7th Edition, provides expert coverage of disease processes and their effects on cells, organs, and individuals and includes key information on pathogenesis, epidemiology, and clinical features of diseases.

Streamlined coverage includes only what students need to know and provides clinical applications of the chapter concepts. In addition, the book is liberally illustrated with full-color graphic illustrations, gross pathology photos, and micrographs and is supported by an unparalleled array of online instructor and student resources.

The Seventh Edition features a striking new design with 1400 new images; a new online, standalone case history section; and a new chapter on forensic pathology that has been described as "CSI" in a textbook.
