Gospel Sonnets: Or Spiritual Songs in Six Parts Ralph Erskine

"Ralph Erskine (1685-1752) was a great man of God, a great preacher, and a great poet. Six of his seven volumes of Works - all of them sermons - have often been reprinted in the last two centuries. The seventh volume - a volume of poetry - has not, yet, ironically, this was the most common Erskine volume reprinted in his own day! SGCB is to be commended for republishing this great book of gospel poetry, so that we can once again have all of Ralph Erskine's extant writings in print. Erskine's poetry excels in certain areas, such as the interrelationship of law and gospel. It will enhance your knowledge of God's Word, imbue your theology with discernment and warmth, and move you to worship the triune God with doxological praise." - Dr. Joel Beeke
