## **L'apparenza (Viaggio delle idee) (Italian Edition)** Teresa Regna

L'apparenza è qui considerata come ciò che cela la perdita d'autonomia degli individui, soprattutto nei confronti delle loro capacità critiche e di pensiero. Tramite l'attenzione all'involucro delle cose e alla valorizzazione della loro sembianza rispetto alla loro essenza, avviene per l'uomo una perdita di differenziazione tra se stesso e il mondo, favorendo in lui un coinvolgimento emozionale e irrazionale che diverrà porta d'ingresso alla perdita della sua indipendenza.

Le mistificazioni dell'apparire sono per l'autrice delle vere e proprie armi di distrazione di massa, alle quali si può reagire impiegando la fantasia narratrice, creatrice di storie che facciano riflettere e sviluppare il senso critico dei lettori.
