While the Gem City is better known as the birthplace of aviation, Dayton has an impressive history of working toward peace. Generations of Daytonians worked passionately to create a nonviolent and welcoming community to inspire others. Abolitionists assisted escaped slaves from one Underground checkpoint to the next. Quakers peacefully abstained from war and chartered several colleges in the Dayton area. The Wright brothers invented the airplane to end all wars, and the landmark Dayton Peace Accords famously ended the war in Bosnia and Herzegovina. Author Tammy Newsom explores the inventiveness, compassion and courage of the men and women who have made Dayton a city of peace.
