Adeus Carlota (Portuguese Edition) Alberto Delerue

A coletânea dos contos que compõem o presente volume encerra páginas que levam a um mergulho nos meandros da nossa psique. Páginas que parecem nos deixar uma advertência: a de que o mal está sempre às portas da alma, essa entidade obscura e quase sempre desconhecida, cercada de mistérios e paradoxos. Em estilo direto e linguagem quase tão simples quanto à de jornal, de quem sabe que em literatura as coisas geralmente não devem ser ditas, mas narradas, Alberto Delerue nos induz a participar de narrativas vivas e contagiantes, a fazer parte de episódios que, pouco a pouco, vão se tornando tensos e dramáticos. Em "A Desconhecida" e "O Violocelo Quebrado", o autor aborda e expõe diferentes facetas deste sentimento extremamente complexo, que de fato se reveste no lado mais amargo e desconcertante do amor - o ciúme. Quem nunca o sentiu? Quem nunca experimentou seu gosto amargo e que jamais se esquece? Em Marta Molina, os personagens adquirem coloração história sutil, pois aqui e ali emergem fatos e acontecimentos da história recente da América Latina, outro tema favorito da autor. Nas páginas de "Adeus, Carlota", os recuos e avanços, os silêncios e abismos vão sendo ordenados pelo próprio olhar dos personagens, e que culminam em levar o leitor a uma cumpliciadde sem volta.
