All in One Basket Duchess of Devonshire Deborah Mitford

In her beguiling memoir, *Wait for Me!*, Deborah Mitford, Duchess of Devonshire (and the youngest of the famously witty brood of writers, agitators, and icons), recounted her eventful life with wit and grace. *All in One Basket* collects the Duchess of Devonshire's breezy, occasional writings and provides a disarming look at a life lived with great zest and originality.

All in One Basket combines two earlier collections, *Counting My Chickens* and *Home to Roost*, its sequel, which was never published in the United States. In these pages, we hear anecdotes about famous friends from Evelyn Waugh to John F. Kennedy; tales of struggle and success at Chatsworth, England's greatest stately home; and of course the tales of her beloved chickens, which the Duchess began raising as a child for pocket money. In *All in One Basket*, glamorous recollections happily coexist with practical insights into country life, and the result is a revelatory, intimate portrait of a woman described by *The New York Times* as a "national treasure."
