ControVersi (Italian Edition) Sara Albanese

La prospettiva moderna e dinamica del breve saggio introduttivo sulla natura della Poesia traghetta il lettore fuori dalle Accademie, attraverso un'interpretazione appassionata ed umana della scrittura in versi, che non trascende dal dato letterario ma lo ripropone in chiave accattivante anche per i non addetti ai lavori. La lettura sfocia con naturalezza nella silloge poetica della stessa Autrice che, tramite versi franchi ed evocativi, associa i propri componimenti ad Acqua, Aria, Terra e Fuoco: i quattro elementi fondamentali della Natura e, metaforicamente, dell'animo umano. Per mezzo di rime o versi sciolti, di immagini irriverenti o auliche, di semplicità disarmante o fieri riferimenti culturali, di gocce di pace o di convulse spirali psicologiche, l'Autrice si propone di fare in modo che la comunicazione di pensieri ed emozioni, la passione per la natura nella sua accezione più simbolica, la trasmissione di messaggi come accessibili punti di riferimento per la presente società, possano trovare un loro inusuale ma armonioso compimento.
