Most of the more than a quarter of a million women who will be diagnosed with breast cancer in the U.S. each year will be married, or have a man who will fill the gap as a support partner from diagnosis, to treatment, and beyond. *Husbands Guide to Breast Cancer* is a reference guide for men who are looking for an easy-to-understand and practical resource for every stage of the journey. This book provides help at a glance for those who need solutions in a hurry but is also complete enough to deepen a man's understanding of breast cancer and inspire his role as caregiver. Filled with first-person accounts from real men who have walked the walk, as well as quick tips in each chapter, this book speaks to the practical side of a man's care and reveals how he can use his strengths to help the woman he loves.
