North Carolina's mountain, coastal and classic piedmont habitats provide refuge for thousands of species of animals including the state mammal – the gray squirrel. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, fishes and butterflies/insects and includes an ecoregion map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.
