Secret in St. Something

Barbara Brooks Wallace

Secret in St. Something Barbara Brooks Wallace

One flight up the narrow, steep stairs, Robin finds himself swallowed up by the darkness, terrified and hating the thought of the misery and fear his knock will bring to the wretched families who huddle behind every door in the building.

Thus begins the story set in a grim tenement district of New York City before the turn of the twentieth century. It is there that Robin, once protected by a loving mother and father, both now dead, must contend with a brutal stepfather, Hawker Doak. Yet Robin is faced with only two choices: remain in the ruthless charge of Hawker, collecting the hated rents, and, perhaps worse, being sent to work in a factory or escape into the treacherous slum streets, haunted by, among other horrors, the bullying boys who work and live in the streets, and whom Robin so fears. Either choice provides a sure recipe for a very short life. But in the end it is fear for the life of his baby brother that makes Robin's agonizing decision for him. The answer to whether or not they survive will only be found when Robin discovers the secret guarded by a place called St. Something.

Within this true picture of tenement life, Barbara Brooks Wallace has created another chilling mystery that starts with one kind of terror, only to weave its way into yet another, deepened by intrigue and unspeakable treachery.

From reader reviews:

Maureen Perdue:

A lot of people always spent their free time to vacation or maybe go to the outside with them family or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you need to try to find a new activity here is look different you can read the book. It is really fun for yourself. If you enjoy the book which you read you can spent the entire day to reading a publication. The book Secret in St. Something it doesn't matter what good to read. There are a lot of people that recommended this book. These were enjoying reading this book. In the event you did not have enough space bringing this book you can buy often the e-book. You can m0ore simply to read this book out of your smart phone. The price is not too costly but this book has high quality.

James Buscher:

Exactly why? Because this Secret in St. Something is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the guide store hurriedly.

Blake Darden:

Your reading sixth sense will not betray you actually, why because this Secret in St. Something guide written by well-known writer who knows well how to make book that could be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still skepticism Secret in St. Something as good book but not only by the cover but also through the content. This is one guide that can break don't judge book by its include, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

Steven Delorme:

Do you like reading a guide? Confuse to looking for your best book? Or your book ended up being rare? Why so many problem for the book? But almost any people feel that they enjoy intended for reading. Some people likes examining, not only science book but novel and Secret in St. Something or perhaps others sources were given expertise for you. After you know how the fantastic a book, you feel desire to read more and more. Science publication was created for teacher or maybe students especially. Those textbooks are helping them to increase their knowledge. In various other case, beside science guide, any other book likes Secret in St. Something to make your spare time far more colorful. Many types of book like this one.
