No job. No heat. The wrong shoes. The wrong clothes. Discover if true love can be far behind.

Imagine having always lived in Washington, D.C., and suddenly being stuck in Portland, Maine, for a year. With the pipes freezing---inside the house. And a husband who seems to have his eye on a hiking-booted L.L.Bean femme fatale rather than you. Not to mention the mother-in-law from hell who never fails to let you know that you leave much to be desired.

That's Sophie Quinn's life. Lucky for Sophie (an unassertive type who's always favored daydreams over day planners), her new life is about to throw in her lap some weird and valuable opportunities to trample down her fears and transform her prospects for happiness. And true love just might come knocking on her door....

For any woman who has ever had to confront the landlord about the heat, for any woman who has ever longed for impractical shoes instead of sturdy winter boots, for any woman who has ever been in the wrong place at the right time, *Snowed In* will have you laughing, crying, and rooting for Sophie Quinn.
