## **From Book 1:**

Beautiful Vega Zaragoza was poised to become fashion's next "it girl" when she learned the hard way that sex and politics don't mix. Now the former model spends her days behind the camera, working as a videographer to hide from public scrutiny. Her life is on autopilot until a promising new job sparks her ambition. There's just one catch: she must land an exclusive interview with JP Davenport, the golden boy of American politics and first in line for Georgia's open senatorial seat.

Charming and gorgeous, JP is also fiercely private, a charismatic enigma with his fair share of secrets—not to mention a string of romantic conquests a mile long. He could make Vega's career, or destroy what credibility she has left—because JP has made it very clear that his interest in Vega is anything but professional. Vega should know better than to trust a man like him. But kiss by heated kiss, she discovers this man may be worth the risk.
