## **Burial (Manitou)** Graham Masterton

First published in 1991, this is the story of New York City. Friday night. Untouched by anything visible, Mrs Greenberg's furniture starts to slide across the room - and however hard she tries, she can't move it back.

Harry Erskine, self-taught fortune teller, agrees to investigate - but soon realises that Mrs Greenberg's moving furniture is just the beginning of a nightmare, for it is being drawn by the same inexorable force which drags us all to the grave.

City by city, America is on the brink of falling into the abyss - women and children, streets and buildings - one and all brought thundering and screaming into the dominion of the dead...
