Contra la guerra de Irak (La quinta columna) (Spanish Edition) Luis Alemany Colomé

Los textos incluidos en este libro corresponden con algunas de las columnas de opinión que el autor publicó en el diario La Opinión de Tenerife, en la sección "Artículo indeterminado", durante los años 2003 y 2004, acerca de la –al parecer– inexistente Guerra de Irak y de la participación que en ella tuvo el gobierno español, entonces presidido por José María Aznar. De tal manera que es ese bélico leitmotiv el único elemento intencional que le proporciona unidad a este libro, en el caso de que acceda a tal entidad cuantitativa, o –en su defecto– se quede relegado a la condición de folleto, tal como determina la normativa biblioteconómica con respecto a las publicaciones que no alcancen las cincuenta páginas.
