Release Me: My Life, My Words (Urban Books) Olivia Longott

This is not a game . . . this is life!

From the day she discovered she had a voice that could touch millions, Olivia Longott put in long, hard hours in the studio, trying to achieve her dreams of R&B superstardom. With such royal talents, she fully deserved the title she was given as First Lady of J, the legendary Clive Davis's label, and then First Lady of G-Unit, when she landed a second deal with G Unit/Interscope Records. Olivia quickly made it clear that she is nobody's number two.

With dual recording deals in hand, Olivia thought her dream had manifested—until she left both labels in what felt like a nightmare.

Being the fighter her daddy taught her to be, Olivia would not let these challenges hold her back from the industry. Instead, she used the experiences as a setup for something new. The world saw her jump back into the ring swinging on the Love & Hip Hop reality show. Sometimes, though, reality isn't always what it seems. That's why Olivia has taken the time to sit down and pen what it truly is. During her unfolding journey in the music industry, Olivia has seen, heard, and experienced a lot. Now it's time to bring you into her world.
