Chris Anne Wolfe

Shadows of Aggar: Amazons Unite Edition: The Amazons of Aggar, Book 1 Chris Anne Wolfe

Before her death in July 1997, beloved lesbian feminist author Chris Anne Wolfe published two of her four classic Amazon adventure novels: Shadows of Aggar and Fires of Aggar. But these two volumes are only the first half of her Aggar cycle.

Chris Anne left her unpublished manuscript to her creative partner, Jennifer DiMarco, who continues to work transcribing and publishing these three dozen novels and collections. Find out more about the Wolfe Campaign at www.ChrisAnneWolfe.com.

Shadows of Aggar begins it all. Diana n'Athena is an Amazon working for the Terran Empire on the medieval planet of Aggar. Her mission is to rescue a downed pilot/spy from Aggar's wilds. But when the Council demands she be bonded to a Shadow in order to be allowed to make the journey, things get interesting. Shadows are exceptional guides and fighters, but Elana is something more - she has the gift of the Blue Sight. As the two women race against time to prevent an all-out intergalactic war, they become erotically entangled, complicating both their lives and putting their mission in danger.
