Michelle Cooper

A Brief History of Montmaray (The Montmaray Journals) Michelle Cooper

“There’s a fine line between gossip and history, when one is talking about kings.”

Sophie Fitzosborne lives in a crumbling castle in the tiny island kingdom of Montmaray with her eccentric and impoverished royal family. When she receives a journal for her sixteenth birthday, Sophie decides to chronicle day-to-day life on the island. But this is 1936, and the news that trickles in from the mainland reveals a world on the brink of war. The politics of Europe seem far away from their remote island—until two German officers land a boat on Montmaray. And then suddenly politics become very personal indeed.

A Brief History of Montmaray is a heart-stopping tale of loyalty, love, and loss, and of fighting to hold on to home when the world is exploding all around you.

“Once in a while, a special book will cross our paths and make us grateful for life and the ability to read. I’m talking about *A Brief History of Montmaray* by Michelle Cooper. I’m calling her Australia’s next stroke of literary brilliance.”—*Viewpoint*

From the Hardcover edition.
