Little Polar Bear and the Brave Little Hare Hans de Beer

All is quiet at the North Pole when Lars, the Little Polar Bear, hears a faint whimper. He finds and rescues Hugo, a scared little hare, who has fallen into a hole in the ice. The two share an adventurous day -- running races, getting lost in a snowstorm, visiting a polar research station. Lars teases Hugo for being so timid, calling him a scaredyhare." But when Lars lands himself in trouble, Hugo shows just how brave he can be. By the time they get back home, Lars has made a lifelong friend and learned what it's like to be afraid.

Originally published as an easy-to-read book, this charming story of bravery and friendship is newly adapted into a picture book for younger children to enjoy.

From reader reviews:

Yvonne Wagner:

What do you with regards to book? It is not important along with you? Or just adding material when you require something to explain what the ones you have problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They should answer that question because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this particular Little Polar Bear and the Brave Little Hare to read.

Bess Malloy:

The book Little Polar Bear and the Brave Little Hare has a lot details on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. Tom makes some research prior to write this book. This particular book very easy to read you can obtain the point easily after scanning this book.

Cindy Coleman:

This Little Polar Bear and the Brave Little Hare is new way for you who has attention to look for some information mainly because it relief your hunger of information. Getting deeper you on it getting knowledge more you know or else you who still having little digest in reading this Little Polar Bear and the Brave Little Hare can be the light food for you because the information inside this book is easy to get simply by anyone. These books build itself in the form that is reachable by anyone, yep I mean in the e-book form. People who think that in guide form make them feel sleepy even dizzy this guide is the answer. So there is absolutely no in reading a book especially this one. You can find what you are looking for. It should be here for you. So , don't miss it! Just read this e-book kind for your better life and also knowledge.

Isaiah Owens:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Little Polar Bear and the Brave Little Hare can make you sense more interested to read.
