In this book, I am going to teach you how to plan your non-fiction book in a weekend. You will go from **no idea to THE idea**, have your first chapter written and your book proposal completed, which pulls all of the planning pieces together.

I would like to inspire you to trust that you have something valuable to share and to trust the process. If you have ever wondered how to get started on becoming a published author and writing a non-fiction book, then this book is for you. If you have been writing your book for a while and it is now in a mess, this book is also for you. It will help you to get back to basics and untangle what you have written and put you on the right track.

The BEST way to write a book is to plan it out first. This book provides you with tools and a process to do that.

This book comes loaded with extra value. There is a workbook full of worksheets for you to download and an end to end plan of the entire book writing and publishing process.

It is typically used as part of face to face workshops, my online programme and writers retreats.
