The Surrogates: Case Files #1 Robert Venditti

Plug yourself in for the return of THE SURROGATES, with new stories by the original bestselling creative team of Robert Venditti (X-O MANOWAR, THE HOMELAND DIRECTIVE) & Brett Weldele (SPONTANEOUS, SOUTHLAND TALES)! These CASE FILES are set in between the first two SURROGATES graphic novels, following newly minted Detective Harvey Greer as he keeps the peace in a world transformed by surrogate technology: android bodies that allow users to experience the real world without ever leaving their homes.

For Harvey's first case since passing the detective's exam, a man is found murdered in his apartment, where BOTH he and his surrogate have been viciously clubbed with a pipe wrench. Can Harvey not only catch the killer, but also keep his grizzled, veteran partner from hating his guts? Welcome to the future, detective!
