Torchwood: Long Time Dead (Torchwood Series Book 17) Sarah Pinborough

Cardiff Bay. The government has ordered the excavation of the wreckage of a secret underground base. DCI Tom Cutler is watching from a distance, fascinated by the process. There are people in his dreams. People he feels he should know.

The disbanded Torchwood Institute spent a century accumulating non-terrestrial artefacts and catching aliens. Who knows what - or who - might still be intact down there. But by the time they find the first body, Suzie Costello is long gone.

Based on the hit science fiction series created by Russell T Davies, Long Time Dead is a prequel to Torchwood: Miracle Day, starring John Barrowman and Eve Myles as Jack Harkness and Gwen Cooper. It features Suzie Costello, as played by Indira Varma.
