[Read by Kevin Kenerly]

From one of the most revolutionary writers of the twentieth century comes the uncensored and gritty novel that inspired today's street lit and hip-hop culture.

"After my ninth birthday, I began to really understand the meaning of my name. I began to understand just what my mother was doing for a living. There was nothing I could do about it, but even had I been able to, I wouldn't have changed it."

Whoreson Jones is the son of a beautiful black prostitute and an unknown white john. As a child, he's looked after by his neighborhood's imposing matriarch, Big Mama, while his mother works. At age twelve, his street education begins when a man named Fast Black schools him in trickology. By thirteen, Whoreson's a cardsharp. By sixteen, his childhood abruptly ends, and he is a full-fledged pimp, cold-blooded and ruthless, battling to understand and live up to his mother's words: "First be a man, then be a pimp."
