**Medford** Anthony Mitchell Sammarco

Referred to in its beginning as a "peculiar town," Medford was originally a town but a plantation owned by Governor Matthew Craddock. Known as Meadford at the time of its settlement in 1630, the area was a flourishing village located along the Mystic River that boasted numerous farms, fisheries, and shipbuilding. A small town for the first two centuries after it was settled, Medford was conveniently located only a few miles from Boston. Its prime location soon attracted thousands of residents, and by the turn of the twentieth century, Medford had become a cultural mecca with over 18,000 residents. The town's strong sense of community and respect for diversity has continued through the years, transforming a small fishing and farming village into one of the finest residential communities in metropolitan Boston. In Medford, author Anthony Mitchell Sammarco invites his readers to join him on a journey back in time to an earlier Medford, when local transportation meant a ride on a horse-drawn streetcar or a train ride on the Boston & Lowell line. Within these pages, learn little-known facts about the founding of renowned institutions such as Tufts University, view candid snapshots of early Medford residents at work and at play, and discover rare photographs of the area's more unusual influences, from the exotic foods and customs introduced by European settlers to the impact of the town's gypsy moth dilemma.

### From reader reviews:

#### **Corey Gardner:**

Have you spare time for the day? What do you do when you have more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their spare time to take a wander, shopping, or went to typically the Mall. How about open as well as read a book titled Medford? Maybe it is to be best activity for you. You already know beside you can spend your time with the favorite's book, you can better than before. Do you agree with it is opinion or you have some other opinion?

#### **Kelley Thornton:**

As people who live in typically the modest era should be change about what going on or details even knowledge to make all of them keep up with the era that is always change and move ahead. Some of you maybe will certainly update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This Medford is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

#### **John Frank:**

The reason why? Because this Medford is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret the item inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the guide store hurriedly.

#### **Christina Bales:**

Reading a publication make you to get more knowledge from it. You can take knowledge and information from your book. Book is created or printed or created from each source that will filled update of news. Within this modern era like at this point, many ways to get information are available for you. From media social including newspaper, magazines, science guide, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just trying to find the Medford when you necessary it?
