Vodka On My Wheaties Ann Lloyd

Vodka On My Wheaties is like no other book you have ever read. The events that have happened to Ann Lloyd are only seen on the silver screen, but all of her stories are non-fiction. Her book reads like a novel even though it's an autobiography. Vodka On My Wheaties is filled with a humorous potpourri of real life happenings for a wide range of people to enjoy. The beginning chapters reveal that Ann was programmed from birth to march to the beat of a different drum. She was the only child of neurotic parents and it was not in her nature to follow the herd. Married at eighteen to a prominent drug store magnate twice her age, she finds herself, at the age of twenty-two, a widow. From her sudden dramatic exposure to a life of opulent wealth and world travels, Ann and her second husband settled down to build an exclusive out-island scuba diving resort in the Bahamas, which attracted the rich and famous. As a self-appointed, liberated female the adventures do not stop there. Join in Ann's kaleidoscopic journey down one of life's most unusual paths and her ability to "make things happen." Ann's story is bursting with romance, adventure, mystery, celebrities, substance abuse, and much more!
